

‘UNARVU’ 2017

One-day Medical camp at G.H.S.S. Poonkunnam

on 21st July, 2017

Community extension programmes are integral part of Social work activities. These activities are intended to helping and shaping the communities based on their socio-economic and cultural needs.

The Department of Social work organized **one-day medical camp** in association with Jubilee Mission Medical College, Thrissur at G.H.S.S. Poonkunnam on 21st July, 2017. A medical team including 5 doctors and 2 nurses were led the medical camp. Doctors were consulted with students. Blood group identification, Body Mass Index calculation, medicine distribution were also organized as part of medical camp.
