OLD STUDENTS' ASSOCIATION

CHRONICLE 2017-2022

St. Thomas College is proud of her Alumni. They are our ambassadors. Our alumni are our pride as well as our strength and support. The institution has a unique distinction wherein the very first student of the college went on to become the Manager of the college in later years. St. Thomas Alumni Association formally known as Old Students' Association (OSA) was officially launched years ago and legally registered in 2016. Upon graduation from the institution, each student is enrolled as a member of our OSA automatically.

St. Thomas Old Students Association engages with the institution in a number of activities. Prominent among them are Alumni Day, Student Endowments, Alumni support for Placements, Endowment Lectures & Chapter Activities.

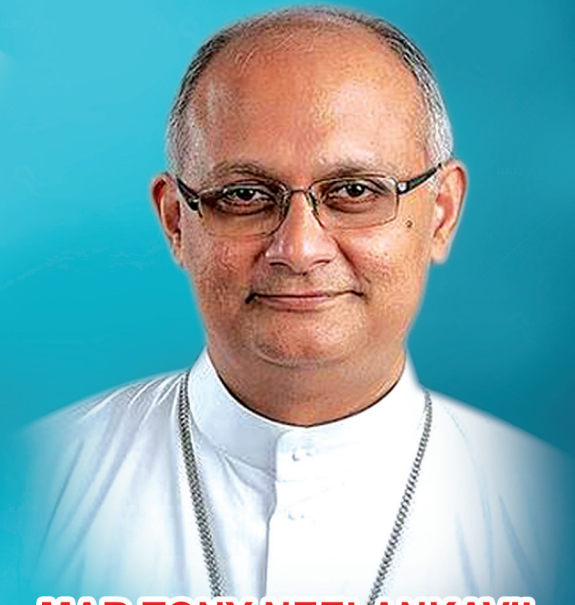

OSA functions in unison with the Management for the welfare of students and for further growth and expansion of the college. The alumni association of the college has instituted several scholarships and endowments for the benefit of the meritorious and deserving students.

Objectives of the Association

1. To provide opportunities for the alumni of St. Thomas's College, Trichur to interact with their Alma Mater and with also one another.
2. To co-operate with the management for further growth and expansion of the college.
3. To collect funds for instituting merit scholarship for the students. Membership in the Association is of two types :-

PRINCIPAL'S *Message*

On behalf of the alumni of this great institution, it is my pleasure to congratulate the Old Students' Association of St Thomas' College for releasing a CHRONICLE of OSA for the years 2017–2022. The world gets more complicated with every passing day after the outbreak of the COVID-19 pandemic, and we've lost touch with those outside our close circle. During this critical period too, OSA of St. Thomas' College designed and conducted an extraordinary variety of "stay connected" programmes like awareness webinars for students, annual gatherings, Global Alumni Meets 2020 & 2021 etc. As the college is preparing for the 4th Cycle NAAC visit, the support of OSA will be more crucial to face the challenges of the college to attain high ranks as well as raise this institution as a centre of excellence in higher education. Once again, I congratulate the editorial team that worked behind this CHRONICLE.

With warm regards,

Rev. Dr. Martin K. A.
College Principal and Patron of OSA

OSA PRESIDENT'S *Message*

A chronicle of OLD STUDENTS ASSOCIATION, St. Thomas' College (Autonomous), Thrissur had been a long cherished dream of OSA for the past several years. As we often say, better late than never. I am happy that an official Newsletter of OSA 'OSA Chronicle' is on the anvil now. OSA of St. Thomas' College Thrissur is probably one of the oldest Alumni Associations in Kerala. In fact the parent College itself is more than 100 years old and so it is no wonder that OSA is also that old. OSA of this College is proud of the fact that lakhs and lakhs of students have already left the portals of the Alma Mater during the past century and are donning prestigious posts in different parts of the world.

It is a matter of pride to the Office bearers of OSA that all these luminaries, whenever contacted for ensuring their presence in different functions, happily recollect their association with their Alma Mater and happily accept our invitations. The yearly Family Re-unions conducted on the first Saturday of May is another happy occasion for members to renew their ties with St. Thomas' College. This Chronicle is only a small step on behalf of OSA. When Neil Armstrong landed on the Moon on 20th July, 1969, his first words were "A small step for man, but a giant leap for mankind". I am reminded of these words as this Message is being prepared. It might be a small step for OSA but a giant leap for St. Thomas' College. I take this opportunity to congratulate the Editorial Board under the leadership Dr. Viju M. J. for their efforts. On behalf of all the Alumni of our College, I also take this opportunity to wish our College a brilliant grading in the forthcoming NAAC accreditation inspection.

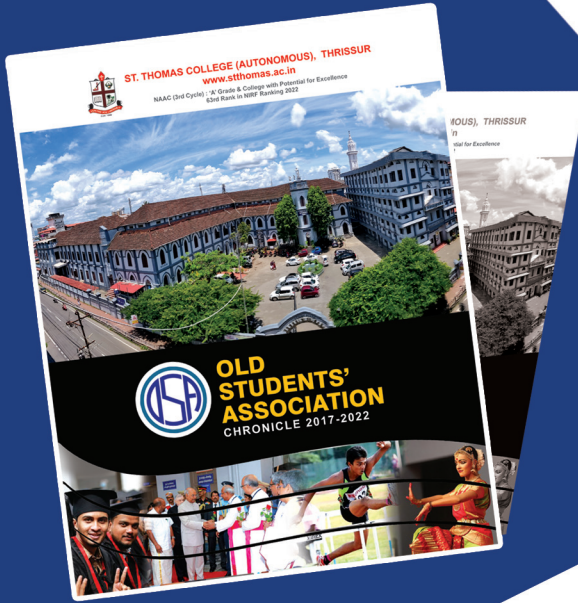

Thank you,

C. A. Francis
President, OSA

From the Editor's Desk

15th September 2022

It's an absolute honour to welcome you all to the very first "OSA CHRONICLE" of St Thomas' College (Autonomous), Thrissur, Kerala. It's a pleasure to be part of this CHRONICLE venture after continuous involvement with the publication of SANTHOME LUMINARIES (both English and Malayalam versions), a Centenary memorial of OSA highlighting 119 stalwarts of St. Thomas' College in various fields.

We came across the idea of publishing this OSA CHRONICLE in the year 2021 and, along with our editorial team, have spent a long time making this CHRONICLE stand out. In the first edition of the alumni CHRONICLE, we make it really special by featuring all the major events conducted by General OSA and Departmental Alumni Associations during the period 2017 to 2022. This chapter brings out the events of change, growth, and transformation that happened in St. Thomas during these years.

I take this opportunity to thank you all once again from the depths of my heart and to look forward earnestly to your continuing involvement in the forthcoming years as we march ahead in unison towards a new zenith of achievements waiting for the imminent 4th cycle NAAC visit to the college. The Editorial team believe that this will go a long way in ensuring constant improvements to the institution –our Alma Mater - and this CHRONICLE projects our own contributions towards our present generation and past student community of this vibrant institution. Team OSA is proud of hosting programmes like the Centenary Mega Alumni MEET in 2018, Dialogue with Dr. Shashi Tharoor, International Citizen as part of the Conclave on the Indian Constitution @70 in 2019 and also conducting Global Alumni Meets in 2020 and 2021. In 2021, we started chapters of OSA in various countries "to build a vibrant alumni network, maintain endless relationships, and to discover invaluable alumni potential".

The activities of OSA always remind us that "When the roots are deep, there is no reason to fear the wind." It is very relevant to keep us informed of our accomplishments and milestones through this journal, and it can really inspire the lives of students today who are destined to be the leaders of tomorrow. I would like to thank associate Editors Dr. K. P. Nanda Kumar, Secretary of OSA; Dr. Anu Paul, Joint Secretary of OSA; Sri. C. A. Francis, President of OSA; Mr. Mestin P. C., Treasurer of OSA; and Rev. Dr. Martin K. A., Prinsipal & Patron of OSA, as well as all OSA Executive Committee members, for their enthusiastic support in this endeavor. Let me thank our Manager, Mar Tony Neelankavil, and our Executive Manager, Rev. Fr. Biju Panengaden, for their guidance and valuable suggestions at each stage. We convey special thanks to Concept Advertising, Thrissur for designing this chronicle and thanking Keltron Knowledge Centre, St. Thomas' College, Jubilee Block for giving financial support to this venture.

THANK YOU ALL.

Sharing Memories : Cine Actor Mr. Narain

Narain, popular Cine Star and heartthrob of college students after the release of “Classmates” was a student of this College during his Pre-degree days. Naturally it was a feather in the cap of OSA when it could manage to arrange a visit of this alumnus to the campus on **30th January 2020**. The colourful function was arranged in the Palocaran Square. Apart from sharing his nostalgic experiences in the campus, to which he was proud to belong to, Shri Narain was only too happy to interact with the students of this college.

Rev. Fr. Varghese Kuthoor handing over memento to Mr. Narain

Following the decision of the Govt. of Kerala to switch over to online mode of teaching as a result of the spread of Covid, education became difficult for students who did not have Smart Phones. Realizing this predicament, OSA rose to the occasion and extended its hand of succor by providing Smart Phones to 7 students. Special thanks is due to Mr. George Thomas, Executive member who took the initiative to arrange the Phones worth Rs. 7000+
