Supplementary Report 2016

Introduction

The Self Study Report 2011-15 in connection with the third cycle of accreditation of the National Assessment and Accreditation Council was submitted to the NAAC and uploaded in the St. Thomas' College website in March 2016. The supplementary report is an attempt to manifest all activities, both academic and non-academic after the submission of the SSR. The most significant achievement after the submission of the Self Study Report is the award of the status of College with Potential for Excellence (CPE) by the University Grants Commission. The CPE status is an exceptional achievement as far as the growth and development of this institution is concerned. The supplementary report contains the action plan approved by the expert committee of the UGC to be accomplished within the next five years. Another remarkable feature was the passing out of the first autonomous post-graduate batch and the spectacular graduation ceremony held on 16th August 2016.

Criterion I:

CURRICULAR ASPECT

1.1. Curriculum Design and Development

As per the official system of curriculum design all departments have restructured the syllabi in an effort to redesign the academic environment more fruitful, student centered and innovative.

Focusing on the three aspects of innovation, employability and research the college restructured the syllabi of various courses in the year 2016. The curricular changes will be implemented in the coming academic year.

All the Boards of Studies of the College, the Academic Council and the Governing Council had approved the implementation of a certificate course for students from their respective departments and this year the certificate courses were started by many of the departments.

After a term of 2 years, the Governing Council, Academic Council and the boards of studies were reconstituted in August 2016.

Certificate Programme: The Certificate Programme is a prestigious curricular innovation which enables all students to attend any of the following programmes.

Sl. No	UG Level	Programme
	Commerce and	Certificate programme in Entrepreneurship Development
1	Management Studies	Programme
2	English	Certificate Course in Professional Communication
3	Visual Communication	Certificate Course in Short Film Making

Criterion II

TEACHING-LEARNING AND EVALUATION

2.1. Student Enrolment and Profile

The 2016-17 admission was conducted online and list of selected candidates was published in the notice boards and College web site. In the concerned academic year twelve students joined for doctoral studies, seven new teachers were selected as research supervisor/guide and 1 new department (Physics) was granted the research center status. The IQAC and Research Council have devised stringent measures to ensure excellence in research.

Number of students admitted in 2016-17:

3.1.5 International Research Collaboration

Dr. Jency Thomas, Assistant Professor, Department of Chemistry, has collaboration with Prof. K.V. Ramanujachary from Department of Chemistry and Biochemistry, Rowan University, USA for her Minor Project entitled "Investigation of magnetic and photocatalytic properties of coordination polymer based phosphomolybdates" for investigation of magnetic properties of various materials.

3.3.1 St. Thomas' Research Fellowship

St. Thomas College offers a Research Fellowship entitled 'St. Thomas Research Fellowship' for full-time research Scholars who are not availing any other fellowships. This unique project offers support to research scholars who pursue research in this institution.

3.4. Awards and Honours for Faculty 2016

- 1. Dr. Joby Thomas , Department of Chemistry: INSA Teacher Award 2016 by The National Science Academy .
- 2. Miss. Reeja Jonson, Department of Chemistry: Best Poster Award, UGC National Seminar S.N. College, Nattika.

New Species Discovered

1. **Ophioglossum raphaelianm** Dr. Anto P. V. Afsana Khan, FranKlin Francis and Dr. Ignatius Antony (2016).

Criterion IV Infrastructure and Learning Resources

1. The Campus

The seminal improvement in 2016 is the construction of an atrium with 30000 sq. ft. which can contain 3000 people and the air circulation is controlled by a High Volume Low Speed fan.

The out lay for infrastructure to be materialized under the College with Potential for Excellence submitted to the UGC consists of plans for next five years, which include Language Lab, soft skill and communication development, Smart class rooms with high speed internet and multimedia. Career orientation and soft skill development, and Skill based add-on courses and finishing school for UG students and for PG students, Centralized library and resource Center, Multimedia and smart board enabled laboratories and Interaction with industry and job market.

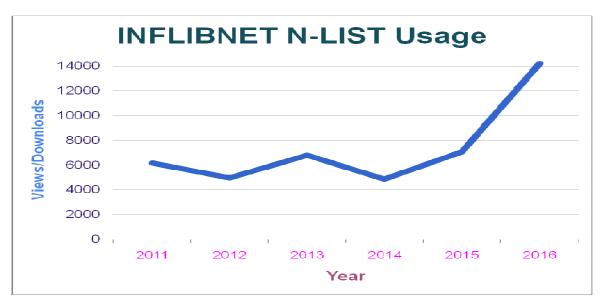

For research, the future plans consist of Centralized Instrumentation Maintenance Facility, to promote interdisciplinary research, online journal resources in Arts, Humanities and Sciences, Promote patents and research publications and Research collaboration with internationally reputed institutes.

4.2 Library: STARC (St. Thomas' Archive) is a newly introduced project which makes documents of the past including previous question papers available online.

LiveSTOM.in (Library and Information services of St. Thomas' College): live STOM is the umbrella term for the bouquet of all services provided by the Department of Library, St. Thomas' College (Autonomous), Thrissur.

The College subscribes to INFLIBNET N-LIST database. The page views and downloads of N-LIST database has increased more than two folds since 2014 which is a result of the massive orientation programmes on the database and its resources.

The Language Lab: A language laboratory was installed as part of the College's concern with language studies and to develop language skills among students is a major achievement after the submission of the SSR. The language Lab consists of 24 nodes at the moment and can be expanded up to 200 nodes. The language software used in the lab has a provision for English and 7 other foreign languages including Spanish, French, German etc.

4.4.2 Major Equipments procured and additions to infrastructure in 2016.

Language Lab (1 with 24 nodes)

Power Generator (1 30 KV)

HVLS Fan (1)

Research Rooms (4)

DST FIST Lab

Auditorium (1)

Classrooms (6)

Television Studio

Softbox for Photography

4.2.8 Books and Journals

Books Added to the Library

No. of Books Added	No. of Printed Journals and	Total Amount (Rs.)
	Magazines	
383	150	89,442/-*

^{*} The College has received approximately an amount of Rs. 6,00,000/- from various sources (CPE and Autonomous College Fund from UGC and Special PD Account) for the purchase of books.

Criterion V Student Support and Progression

5.1 Financial Assistance to Students from Government and other National Agencies

5.1.1 Placement Cell

The Placement Cell had remarkable activities in 2016 and 63 students were placed in various positions.

1. 20-01-2016- Goan Institute of Communicative English - 14 selected 2. 21-01-2016 - ICICI PRUDENTIAL - 20 selected 3. 1-07- 2016 - South Indian Bank - 29 selected

Criterion VII Innovations and Best Practices

7.1. The College has a policy of utilizing natural resources available. To minimize the wastage of water the college in 2016 decided to take significant steps. For this 10 overhead water tanks, each of 1500 liters and a 2 lakh liters reservoir-well were constructed. The water collected is used in canteen, for drinking and as distilled water in Chemistry Lab. A solar panel was set up near the canteen to provide electricity for the uses in the canteen.
