Prof. Kazhani Subramanian Seetharaman (1928 – 1981)

In service: 1951 – 1981

HOD :1970 - 1981

Prof. K S Seetharaman completed his high school education from St. Thomas' College High School, Thrissur in 1945. In 1949, he completed B.Sc. (Honors) in Physics from University of Madras and secured second rank. He also completed M. A. in Physics from Presidency College, University of Madras in 1951.

He joined at the Department of Physics, St. Thomas' College, Thrissur as Senior Demonstrator in 1951. In 1970, he became Professor and Head of the department.

He has written a number of physics text books which were popular with Intermediate and B.Sc. students in Calicut and Kerala Universities. He was one of them who pioneered electronics courses in Physics Department. He was a popular speaker on wide range of science topics that inspired a generation of Keralites. He died in harness on 19/7/1981.

Prof. T R Viswanathan (Alumni)

Prof. T. R. Viswanathan is a Research Professor in the Department of Electrical and Computer Engineering at the University of Texas at Austin and holds the Silicon Laboratories Endowed Chair in Electrical Engineering.

He spent 20 years in teaching, research, and academic administration in the educational institutions in U S, Canada, and India. He was Adjunct Professor at Moore School of the University of Pennsylvania and Professor of Electrical Engineering, University of Waterloo, Ontario, Canada, University of Michigan, Dearborn, Michigan, Carnegie-Mellon University, Pittsburgh, Pennsylvania. In India, Prof. Viswanathan was Professor of Electrical Engineering, Head, Computer Center, and Dean at the Indian Institute of Technology, Kanpur, India.
