Debit Card Cloning

Debit Card skimming happens when the PIN is revealed to another person. A scamster who knows the PIN and has possession of the card even for a short while can replicate the card with a skimming/skimming device and withdraw cash.

As a part of observing National Cyber security awareness month, Ethics Committee along with NCC unit of St.Thomas College (Autonomous), Thrissur conducted a webinar on "Cybersecurity" via Google meet. The resource person of the program was Suheel Basith, Civil police officer, Cyber cell, Thrissur. The program was convened by Dr. (Sr).Sheeba C V, Ethics committee coordinator and Lt Sabu A S, ANO on 21 October 2021.
