Dear Sir/Madam,

St. Thomas' College (Autonomous), Thrissur is the oldest Catholic college in Kerala established as an educational institution in 1889 and was raised to the rank of Second Grade College in 1919. The Department of Botany was started in 1951 with Natural Science as intermediate course and ever since its inception, the department has been initiated with a conservation oriented module of natural and environmental education. The department has decided to organise a one day seminar "Species the Passion 7" - Stories of New Species Discovery. The program is highlighted to create environmental awareness and the significance of biodiversity conservation leading to the discovery of new species to Postgraduate students and Researchers of Botany. The programme is scheduled on 9<sup>th</sup> March 2022 at Menachery Hall, St. Thomas' College (Autonomous), Thrissur. We invite all the botanists and nature enthusiasts to participate in the seminar to make it a grand success.
