Dear Sir/ Madam,

St. Thomas College, Thrissur is the oldest Catholic College in Kerala established as an educational institution in 1889 and was raised to the rank of Second Grade College in 1919. The Department of Botany was started in 1951 with Natural Science as an intermediate course, and ever since its inception; the department has initiated field explorations, plant collections and herbarium preservation. Since 1952, the St. Thomas College Herbarium has plant collections and houses more than 12000 specimens from South Indian states. The STC herbarium was accredited with Index Herbariorum in 2020. We are launching the digitized web database of STC Herbarium online by **Mar Tony Neelankavil, Auxiliary Bishop, Archdiocese of Thrissur**, on 10.10.2022, 10.00AM at Kaviprathibha Hall, St. Thomas' College, Thrissur. In connection with STC Herbarium launching, a National Seminar on Hortus Siccus, will be conducted with the Keynote Lecture of **Dr Nisha P, Department of Botany, St. Xavier's College for Women, Aluva**. Presentation of Endowment instituted by Dr C D Varghese (Formar HOD, Department of Botany) to the in-house doctoral awardees also will be solemnized in the programme. We invite all the botanists and naturalists to participate in the STC digital Herbarium launching and national seminar to make it a grand success.
