VRIDDHI 2023

AN ECONOMICS FEST

**ST. THOMAS COLLEGE
(AUTONOMOUS), THRISSUR**

Dear Sir/Madam, _____

The Department of Economics, St. Thomas College (Autonomous) Thrissur is organising 'Vridhhi 2023', an Economics Fest under which we are conducting variety of programmes including an Inter-Collegiate Quiz, an Inter-School Quiz, Best Economics Team Hunt Competition, an Advanced Excel Workshop, and a Food & Cultural Fest.

The Inter-Collegiate Quiz 'SEEK' was a massive success last year, with the participation of a huge number of students from across Kerala. This year as always we are striving to make events bigger and better, and hoping to expand our quiz to include a larger number of students. We expect the participation of students from all streams as this is a Business quiz with an Economics touch, and hence is not solely meant for Economics students.

We invite participants from all institutions of higher education which include Arts & Science Colleges, Professional Colleges, Polytechnic Colleges and University Departments. This year's SEEK has an attractive prize pool of Rs. 9,000.

We request your esteemed Institution to send your Quizzers to this year's SEEK which is scheduled for 16th August 2023, and join our celebrations.

Looking forward to meeting you in our campus.
